

Slave Trade Destinations

Roughly 12 million Africans were transported in the Americas over nearly four centuries of the slave trade. Where did they go?

Column A includes a list of imperial holdings; column B are rough estimates for different regions. Draw a line between the region and the number of slaves you think went there.

<u>COLUMN A</u>	<u>COLUMN B</u>
British North America	28,000
Spanish America	2,000,000
Danish West Indies	500,000
French West Indies	4,000,000
Brazil	1,600,000
Europe	175,000
British West Indies	500,000
Dutch West Indies	2,500,000
